TO THE SHAREHOLDERS

OF THE SOUTHERN RAILROAD COMPANY

YOUR Company, having celebrated its Fiftieth Anniversary by moving into its modern offices and works, it has been thought desirable to prepare this little volume, which, with the aid of the camera, the nearest to a personal visit, will help to make you better acquainted with the organization and several plants of the Company.

Beginning in 1863 in the leased building illustrated at the top of this page, your Company has, since then, endeavored to show, by the pages following,

We trust you will find this Summary both interesting and instructive.
